## 1. Introduction

This Cookie Notice ("Notice") applies to the thinXXS Microtechnology GmbH web site: https://www.thinxxs.com and supplements the Website Privacy Statement, which may be accessed here: https://www.thinxxs.com/en/privacy. Please refer to this Website Privacy Statement to receive information about the processing of personal data in general and also specific information provided according to the General Data Protection Regulation.

Any questions or concerns relating to the use of cookies by our web sites and the processing of personal data obtained through their use may be directed to: thx-datenschutzteam@idexcorp.com.

## 2. Cookies – What are they and how does this site use them?

A cookie is a small text file that is stored on a user's computer for record-keeping purposes. thinXXS Microtechnology GmbH uses cookies in order to make them function effectively. thinXXS Microtechnology GmbH uses session cookies and persistent cookies. The purpose of session cookies is to help distinguish your browsing session from those of other concurrent users and to make it easier for you to navigate our site. A session cookie expires when you close your browser. A persistent cookie remains on your computer after you close your browser. This type of cookie is typically used to preserve across browsing sessions any site-specific preferences you may have selected while using our site.

## 3. What do we collect?

We use the following types of cookies on our web site:

a) Necessary

These cookies are absolutely essential for the web site to function properly. This category only includes cookies that ensure basic functional and security features of the web site. These cookies do not store any personal information.

b) Performance

These cookies help web site owners to understand how their visitors engage with their properties. The analytics cookies used on our site collect information and report site usage statistics without personally identifying individual visitors.

They allow us to count visits and traffic sources so we can measure and improve the performance of our web site. They help us to know which pages are the most and least popular and see how visitors move around the site. All information these cookies collect is aggregated by third-party providers or immediately by us.

The cookies listed above include both first party cookies and third-party cookies.

- First party cookies are those, which are stored by a domain managed by us
- Third party cookies are created by domains other than from us

The list below describes in detail the individual cookies used on our web site
